An Fharraige	**The Sea**
Tá an fharraige ag rince,	The sea is dancing,
Ag rince leis na héisc.	Dancing with the fish.
Níl na portáin ag rince	The crabs aren't dancing
mar tá siad ar an trá.	since they're on the beach.
Tá céilí san fharraige anocht	There's a ceili in the sea tonight
Agus tá cuireadh agam.	And I have an invitation.
Beidh spórt agus ól againn	We'll have fun and drink
leis an bhfarraige agus na héisc.	with the sea and the fish.
